

Birches Primary School

Swimming Lessons

P6

Dear Parents,

Swimming lessons will start on Tuesday 7 November and the last session will be on Tuesday 12 December.

There will be 6 swimming lessons lasting 30 minutes each.

The children need to bring their swimming costume (no bikinis), a towel and a contribution of £1.75 each week for swimming lessons. The school will cover the cost of the bus.

It is important that the children behave appropriately when at the pool. Any child who misbehaves will have to be excluded from attending lessons. If this should occur the parent will be informed. I hope to have your support in this.

Please sign and return the slip below.
